GEOPOLITICAL FOCUS

Condemned strikes on Iran, highlighted instability in West Asia
(Palestine conflict) and opposed unilateral sanctions.

India's Focus: Terrorism-free region, stronger connectivity with Central Asia
and greater institutional cooperation in SCO.

- **Counter-Terrorism and No Double Standards:** The declaration strongly condemned double standards in fighting terrorism and called for combating cross-border terrorist movements and the 'three evils' of terrorism, separatism, and extremism
- **Stance on Iran and West Asia:** The document condemned military strikes on Iran by the United States and Israel as violations of international law, advocated for political and diplomatic resolutions, and supported Iran's right to a peaceful nuclear program under the NPT. It also opposed unilateral economic sanctions that bypass UN and WTO rules

- **Institutional and Linguistic Updates:** The summit approved official inclusion and recognition of English as an official/working language within the SCO Charter framework (earlier only Russian and Chinese)
- **India-Led Initiatives:** The declaration incorporated several Indian-led proposals, including the establishment of the SCO Civilisation Dialogue Forum (with India hosting the inaugural edition), the Young Scientist Forum, and the Young Author's Conclave

Parcham Classes

- **Cybersecurity:** Adopted the 2026–2028 International Information Security Cooperation Plan - To address escalating cyber threats, coordinates joint defenses against digital sabotage, and targets the illicit misuse of information and communications technology (ICT)
- **Regional Security and Narcotics Control:** Member states agreed on stricter regulatory frameworks for the SCO Anti-Narcotics Centre (which will operate out of Dushanbe) to counter cross-border drug trafficking and synthetic drug proliferation through 2030

Parcham Classes

- **Green technology:** Roadmap for a Green Technology Corridor (2026–2030). The program drives cross-border collaboration on clean energy efficiency, climate change adaptation, and sustainable industrial innovation
- **Biodiversity:** Members authorized a joint Action Plan for the Conservation and Sustainable Management of Biodiversity (2026–2031), focused on preserving shared cross-border habitats, protecting endangered regional flora and fauna, and establishing uniform ecological management protocols.

- **Connectivity:** The summit formally signed the Action Plan for the Development of Ports and Logistics Centres of SCO Member States (2026–2030) - aims to streamline Eurasian transit networks, upgrade trade infrastructure, and introduce automated digital customs systems across member nations
